

GPW 120.11 SP C

Cold water pressure washer - single-phase

GPW 120.11 SP C is a professional cold water high pressure washer designed for the most demanding cleaning tasks and is used in environments where high performance is required to achieve excellent results. The professional 3-ceramic piston pump with a connecting rod/crank system and brass pump head allows for easy adjustment of the delivery pressure and detergent suction. The STS (Smart Total Stop) system makes the GPW 120.11 SP C an extremely safe machine: it stops the motor 12 seconds after the trigger on the gun is released, signals the presence of micro-leaks or water shortage and switches off the machine after about one hour of standby. The GPW 120.11 SP C is robust, thanks to its resistant frame and stainless steel casing, and at the same time easy to handle due to the practical handle and large wheels, which allow the operator to move the machine easily.

PRODUCT IDENTIFICATION

TYPE	REF. NO.	PIECES/PALLET
GPW 120.11 SP C	94500022/1GPW 6	

TECHNICAL DATA

FEATURES

Max pressure	bar-Mpa	120-12
Water flow rate	l/min	11
Voltage - Frequency	V ~ Hz	230V ~ 50 Hz
Power rating	kW	2,2
Pump	rpm	1450
Max water feed temperature	°C	50
IP code		IP54
Power supply cable	m	5
Weight (without accessories)	kg	55
Dimensions	mm	900x582x850

STANDARD ACCESSORIES

TYPE	REF. NO.
High pressure hose (10 m)	6180035/1
Spray gun MV951	6000026/1
Spray lance (70 cm)	6000027/1
Water nozzle	1000300/15035

OPTIONAL ACCESSORIES

TYPE	REF. NO.
Rotating nozzle 165 bar	1000385KIT
Hose reel kit with 15 m hose	6000552
Wet sandblasting kit	6000605KIT

PUMP WITH BRASS HEAD AND CERAMIC PISTONS

PRESSURE REGULATION AND BUILT-IN DETERGENT SUCTION

STS (SMART TOTAL STOP) SAFETY SYSTEM

PRESSURE GAUGE

STURDY FRAME AND STAINLESS STEEL CHASSIS

LARGE WHEELS

FOLDING HANDLE

HOSE REEL (OPTIONAL)
