

GPW 200.15 TP H

Hot water pressure washer - three-phase

GPW 200.15 TP H is a professional three-phase hot water high pressure washer equipped with a 3-ceramic piston pump with a connecting rod/crank system and brass pump head, which allows for easy adjustment of the delivery pressure and detergent suction. The machine is also provided with a powerful vertical diesel-powered boiler that quickly heats the outgoing water, and a practical control panel with a thermostat, allowing the operator to select the desired temperature and monitor the correct operation of the machine through a system of indicator lights. The STS (Smart Total Stop) system stops the motor 12 seconds after the trigger on the gun is released, signals micro-leaks or water shortage, and turns off the machine after approximately one hour of standby, making the GPW 200.15 TP H an extremely safe machine. Thanks to its considerable operating pressure and water flow rate, combined with the action of hot water, this machine is the perfect high-pressure washer for the most demanding cleaning tasks in environments with stubborn dirt, such as grease, oils or food residues. Food processing, cleaning, industry, car wash and transport are just some of the sectors where the GPW 200.15 TP H can be used versatilely, achieving excellent cleaning results.

PRODUCT IDENTIFICATION

TYPE	REF. NO.	PIECES/PALLET
GPW 200.15 TP H	91150050GPW	2

TECHNICAL DATA

FEATURES

Max pressure	bar-Mpa	200-20
Water flow rate	l/min	15
Voltage - Frequency	V ~ Hz	400V ~ 50 Hz
Power rating	kW	5,5
Pump	rpm	1450
Max water feed temperature	°C	50
Max outlet water temperature	°C	90
Fuel type for water heating		diesel
Fuel tank	l	24
IP code		IP54
Power supply cable	m	5
Weight (without accessories) kg		145
Dimensions	mm	1195x740x850

STANDARD ACCESSORIES

TYPE	REF. NO.
High pressure hose (10 m)	6000145
Spray gun ML955	6600600/1
Spray lance (70 cm)	6000027/1
Water nozzle	1000300/25040

OPTIONAL ACCESSORIES

TYPE	REF. NO.
Hose reel kit with 15 m hose	6000555-HYN112
High pressure hose (20 m)	6400185
Non-marking blue high pressure hose (20 m)	90000071
3-jet multifunction foam lance 280 bar	6000676

CONTROL PANEL WITH THERMOSTAT

PUMP WITH BRASS HEAD AND CERAMIC PISTONS

PRESSURE REGULATION AND BUILT-IN DETERGENT SUCTION

VERTICAL BOILER

24-LITRE DIESEL TANK

SMART TOTAL STOP (STS) SAFETY SYSTEM

ROBUST STAINLESS STEEL STRUCTURE WITH OPTIONAL HOSE REEL

LARGE WHEELS AND PARKING BRAKE
