

# GREEN PRO SB 150 U 13

Burnisher 20" - 1.500 rpm

Professional ultra-high-speed polishing machine, ideal for cleaning companies, floor installers and public sector operators. Model made of regenerated and recyclable plastic that combines environmental protection and high performances. Equipped with a sturdy induction motor, a double protection against unintentional start-up, a safety switch with automatic motor stop as soon as the lever is let go, an high-strength plastic handle that allows the operator to use all machine controls without moving the hands from the working position, a brush pressure adjustment register, low working height and a unique flotation system.
