

Backpack dry vacuum cleaners

Compact, lightweight and extremely sturdy back vacuum cleaner, it fits comfortably like a backpack for greater freedom of movement during cleaning operations. Thanks to its powerful, state-of-the-art brushless motor and extensive filter set, Voyager guarantees excellent performance and maximum filtration for fast and effective cleaning in a healthier environment. Its ergonomic design offers optimal comfort during prolonged use, reducing physical effort and making work less tiring. The back and the elastic waistband are designed to distribute weight evenly, reducing stress on shoulders and back. The switch, inserted directly into the belt, makes it even easier to use it. All details are designed to ensure operator comfort and convenience while working. The accessory holders, integrated in the belt and shoulder straps, and the large storage compartment allow everything needed to be at hand. The 15-metre long cable allows you to work in complete freedom. Thanks to the transparent lid, you can also check the amount of material sucked in and empty it easily. Excellent performance and ergonomic design make the Voyager 4 the valuable ally for maximum effective cleaning results, especially in hard-to-reach places.
